

*Lord God of all creation
I rejoice in Your Words!
Your Holy Word fills
my heart and gives hope.*

*This day You have given me
and I give You thanks for
it and rejoice in it. You are
my Rock and my Salvation!*

*Even if the mountains crumble
and the oceans go dry I will
Praise You. I rejoice in You
always, my Lord and my God!*

*Your Word will never fail
and my heart will hope in it.
Your peace like a river flows
through my soul.*

*Your Holy Word is eternal!
Amen and Amen!*
