

***O Righteous and Holy God,
Lord of Heaven and Earth,
I thank You for all who
serve to protect our Land.***

***I thank You for those still
living and those who died.
Lord, many were wounded
fighting evil enemies.***

***Those who serve to protect
our nation remind me of
those in Your great army.
Thank You for them also!***

***Lord, give us strength to
proclaim your truth as
boldly as those who
serve defending our Land.***

In Jesus Name, Amen!
