

*O Glorious God, I thank You!
You have blessed me with this
wonderful new day. You give
me all I need to enjoy life.*

*Help me to sow righteousness
that I may reap the fruit of
Your unfailing Love. Let me not
sin against You my loving God.*

*Lord, the nation I love has turned
to wickedness and has eaten the
fruit of deception. Corruption and
evil is everywhere my eyes behold!*

*Bring us to repentance, O God!
Turn our hearts back to You and
turn us from our shame that we
may be righteous in Your sight.*
