

**Sweet Jesus, my Lord and my God.  
You have taught me how to love.  
You are love and God's gift to all  
who will accept You as their Lord.**

**I humbly thank You, Father God,  
for sending Your Son to buy me  
back from my sinful ways. Oh, how  
lost I was without Your kind love.**

**Sin had conquered me and I was  
adrift in a world of sin and hate.  
In fear, I took Your hand and You  
picked me up restoring my soul.**

**You showed me that the ways  
of the world lead only to death.  
Without Your sweet love, there  
would be no joy in my life.**
