

No Sorrow in Your Heaven

Your Mercy and Grace overwhelm my soul. Such undeserved, unmerited gifts flow from You alone.

My sin built walls only You could tear down. Through Christ's death my pardon and salvation was given.

You overcame death and fear with triumph and eternity. There is no sorrow in Your Heaven.

Tears are forever wiped away with Your Hand. Untold, unimagined joy lies ahead.

You, Creator of Everything, made such blessings for me. I Worship at Your Feet. My heart is forever Yours. Eternal Hallelujah!
